

# Crew Marketplace

Thousands of audio, video, and lighting pros in key markets, nationwide

**#1** thing keeping event production leaders up at night is **not having enough skilled, reliable talent** to work their events. You can count on LASSO to strengthen your team's bench.

### Data-Driven Talent Acquisition

Our Talent Acquisition team vets each and every tech, and uses their profile data to build the the best crew for your event.

### Instant In-System Quotes

Respond to RFPs faster with the only tool that gives you instant quotes and lets you see real-time progress of filling your roster.

### No More Inflated Invoices

No daily overtime billed (except in CA and CO), no rounding up to the next minimum, no billing for time not worked, and easy invoice reconciliation.

### Compliant In All 50 States

Stop worrying about insurance and liability with our W2 workforce.

**Freeman**

"I have used several systems in the years I've been booking labor and this is the easiest. LASSO's Crew Marketplace seems to be set up in the most practical way possible."

— Chris Bonner, Labor Control Manager, Freeman
